“ A bond between mother and child is unparalleled. For a girl, she is that support that is so crucial during those adolescent years. For boys, she is that female presence that teaches love and respect. Mothers provide a shoulder to cry on and are an infinite wealth of advice. A mother’s love is unconditional and losing someone like a mother is never easy. My deepest condolences to you and your family during this time. Your mother was an amazing woman, and she will truly be missed.
