“ I am so sad to learn of the passing of Anthony. I was an elementary and high school class mate of Anthony's in La Marque. I did get to visit with him a few times during the many 1977 class reunions. To this day, I still tell the story about Anthony making this crazy face and sound in one of our classes while sitting right next to me. Anthony knew I'd bust up every time and, a couple times, we had to stay after school for a little "detention". It was worth every minute! Anthony could always make me laugh and smile. I don't think that ever changed. God bless the Phillips family and all that will miss him.

Peace and love to you all during this sorrowful time. We wish you the comfort in the strength he gave you, the love he wraps your heart with and his healing power to get you through this very difficult time.
