“ I had the honor of meeting Barry and although it was from his Father's passing, I had only known Barry for such a brief time, but in that time of knowing him - he shared his love for his family and he loved his family very much. He was a very wise man, a gentleman, he loved what he did in his occupation and he loved his pets as well. I was in shock when I heard the news and I still can't believe he's gone. He had a light about him, he was a bright soul. My heart is heavy of his passing and my heart as well as comforting prayers goes out to all his family and loved ones. He will be missed but never forgotten. R.I.P. Barry. ((((((HUGS))))))
