“ *To the family of Ms. Charlene.*

*I am so sorry to hear about the passing of Charlene. My heart is so heavy at this time. My prayers and condolences to her son and family. I meet Charlene when my son was murdered by his enemy(dad). Charlene and her son tried helping my son by bringing him into their home and tried comforting him while waiting on the ambulance. She was an earthly angel for my son, now she's a angel for the Lord. Davon Jones know that God don't make any mistakes. Hold to all the good memories you and your mother shared.
