“ *Chris was a real go getter. I remember even after losing one leg he never slowed down. He kept right on going. He took advantage of all that life had to offer. If he ever had a bad day he never showed it. The most memorable that I will have of Chris is the day that he told me he had more lives than a cat. He had a very funny sense of humor. He never let the challenges he faced in life get the best of him. I will miss that part of him.*
