“ Oh the memories of coming to town and running across the street to Ms Coleman's house and seeing you and Chad and Corey. Those were the good ole' days. Then when you moved around the corner, we would walk over there to see you. You never turned us away because you knew we were visiting for a short period of time. You literally just commented on a recent photo and gave your condolences to us losing our mother. Little did we know that we would be telling you RIH in 2025. Although our hearts are heavy and our souls are troubled, the memories of Grand Street will always be there. We will forever love you and carry the memories. Prayers to the entire Wise and Coleman families....

“ I could share many memories of our life long friendship... from 2650 Grand to present... I love you my dear sweet friend. You will forever hold that spot in my heart that place that only you could fill...right next to God. I know you are up in Heaven telling us all you are good ... I will definitely miss our everyday communication and our lifetime of memories... from French High School till now... My favorite track star... the ultimate hooper. You are an all around guy, Columbus. I love you and I send my love and prayers to your family. Tell Corey I sure do miss him too. Rest easy... we wanted you here but God needed you there.
