“ *Richard was the tape of guy who helped old people when he was young and as he got older helped young and old.he has been a good friend for 36 years. I will miss you. We made a pack to take care of each other years ago. Thank you for helping me with my 3 surgeries. Being my handy man it you knew how to do if...you knew who could. Thanks for being a friend. Sorry the journey came to a end. We will take that cruse when I meet up with you*
