

Mrs. Davida Jo Chamberlin-Elliott

September 21, 1955 - July 4, 2025

Davida Jo Chamberlin-Elliott, 69, from Webster, TX, passed away peacefully on July 4, 2025. She was born on September 21, 1955, in Portsmouth, OH, to Elmer "Doc" and Francis Wooten. Davida was known for her loving nature, resilience, and sense of humor. Davida devoted much of her life to her career as co-founder and CEO of Houston Aftercare, Inc., established in 1984. The organization became like family to her and reflected her lifelong mission to uplift others. Davida lived with passion and purpose and was often described as "absolutely elegant". She cared deeply for people and animals alike, always looking for ways to help and connect. She found strength and balance through exercise and was never shy about sharing her knowledge or lifting others through teaching. She poured her heart into everything she did. Nothing brought her more joy than being a mother. She poured her whole heart into raising her son, guiding him with love that was strong, steady, and deeply rooted in who she was. She approached life with a heart full of joy and a spirit rooted in strength and compassion. Her strong faith in God guided her decisions and brought peace to those around her. That faith was a steady source of comfort and resilience throughout her life. Left to cherish her memories are her husband Paul Hockenberry, her son Zac Chamberlin, her grandchildren Vicky and Mat Chamberlin, and her sisters Rikki Ervin, Dierdre VanHorn, and Renee Brown. In lieu of flowers, those who wish to honor her memory are encouraged to make a donation to their local animal shelter or to Cuddly.com

“ We loved Davida. When we first met her, we were shocked by her beauty and her forthrightness!! she was an honest person and told you like it was. We enjoyed spending time with her and her husband Paul going out to eat for lunch and dinner times and many laughs. We are so sorry for your loss.
