“ Where do I start! First I would like to give glory to my lord and savior as he gives me comfort in this time of grief. Thank you lord for sharing Mrs. Debra with me. My greatest memory as her son in law is that she always accepted me for me. I don't eat crawfish and her daughter Deborah took me to meet her family at a crawfish boil. Mrs. Debra learning that I don't eat crawfish without hesitation made me some chicken fingers and made me feel like I was at home. She has been amazing to all the grandchildren. But my daughter will miss her tea party partner. I will miss you. The lord has an amazing angel. I hope to see you in heaven one day. I love you Mrs. Deb
