Deena was a beautiful soul, I enjoyed working with her at UTMB. Her laughter and joy filled the lab. She will be missed and my heart goes out to the family and friends. May she be in the hands of God to become your guardian angel.

“ Dear Aunt Elva and Uncle Robert, it’s going to take some time to get through the shock of this loss. If you need me to do anything; i.e., run an errand or just sit with you, please call. Oh yeah, I learned how to cook (smile); so, I can do that too.

Deena was the sweetest, most generous and warm-hearted person I've ever known. Her smile was contagious and she gave the best hugs. I can still hear her screaming, Hey Cuz, from across the parking garage the last time I saw her at the Toyota Center. She greeted me with a big bear hug and said, I love you. She will forever be in my heart. Sending love and prayers of comfort.

“ One of the most beautiful person who walked this earth. Her smile and laughter can’t be replaced. Dena you will always be on our hearts. Swag like no other. Smooth like no other and just that smile
