“ I will always remember Mama Doris, she called me little fellow,.She tried to save me from a spanking from my Nana but it didn't work. I will miss going to Texas City to see you. Chase

“ The sweetest person that I had the pleasure to call mama, no she was not my mama, but her heart said she was, I spent several days watching old Western with her while she drank coffee and smoke her cigarettes with the wood tip and me drinking what was in my cup. We laughed and talked about the people walking down the street, next thing you know it comes Uncle Johnny Lee what y'all doing in there and we both started laughing at him. Mama you would truly be missed now take your rest. Love you forever
