“ *I worked with Mr. Taylor at GISD Maintenance and Operations back in the 1980's and 1990's, under the direction of Mr. Broussard. Mr. Taylor was such a great leader and such a kind person. I remember what a great father he was to Dwight Jr. and Marcus. They were the lights of his life. We both had young children during this time and we always talked about our kids. God bless the Taylor family. May you all find strength in great memories of such a wonderful man. He certainly was a fine, upstanding example to all. Pamela Guillory*
