

Mr. Edwin Wolfe

September 19, 1929 - August 5, 2024

Edwin (Eddie) Landls Wolfe was born in Commonwealth of Pennsylvania on September 19, 1929. He passed away on Monday, August 5, 2024.

He was preceded in death by his youngest son, Stephen Wolfe. Eddie is survived by his children, Mike Lowry, Norman Lowry, Denny Wolfe, and Kimberly Thompson (Chuck), along with 8 grandchildren.

Eddie lived to be almost 95 years of age. He remained living independently up until his last month due to a short illness.

Eddie had a love for music. He could play all instruments but excelled in playing the trumpet. He received a college degree in Music and was a band director for many years, however he decided to leave the profession and venture out in playing professionally. He was often referred to a "One Man Band."

The family would like to send a heartfelt thank you to Danny Ballard for being his angel in need, along with Mr. Richard whom patiently and kindly assisted him throughout his apartment residency.

A family memorial will be held at a later date.
