“ Linda, so sorry to hear of your loss. I am sure Elvis will be missed by many. It has always been so comforting knowing that you and Elvis were across the street watching out for me over the last 5 years. I so enjoyed the conversations that he and I had and I only regret that I didn't take advantage of more opportunities. May the Lord be with you in your time of grief and let it be known to you that all of your loving friends and neighbors are standing to help you in any way that we can.
