“ Tino, primo, I wish I had more time to know you better. What stays with me is the connection I felt with you, your kind eyes and your warm, curious, funny spirit. Until we meet again, I'll love you from here. -Sharon

“ Frosty, buddy!! We shared so many fun moments in high school. I remember you always jamming to some chopped and screw everywhere you went. I'm sure you're in heaven jamming right about now. RIP homie.

“Frost, we have cherrished so many memories together. I will always remember your laugh and how silly you were. You had a heart of gold and will always be a true ride or die till the very end. We miss you greatly. This world will never be the same without you. All our love, Fredo & Krissy
