“ Where do I begin,Nando,I'm so sorry this happened to you.I've known you since you were a young boy,so full of life when my sister married your brother.There are so many memories I have that I can't share everyone.But they will forever be mine.I'm so sorry we never made it to meet up like we talked about doing.I'm sure we would've had alot to share.I pray for Ms Ofie for strength,peace,healing and comfort in her time of mourning.You will be missed and please say hi to Big Juan, Nuno and my buddy Felix.May you all be rejoicing together and resting at peace... 🙏🕊️🕊️

“ Fernando was such an amazing man. In the short time we were reunited an incredible bond was formed and he always knew the words to say to lift my spirits and knew how to make anyone laugh with his funny jokes and showed me what it felt like to have a brothers love! I will forever love and miss you. Tell daddy I said hi. No more pain now. Rest in peace, brother.
