“ Me & Fred grow up together his Mom and my Mom was sister, we hunt and play ball together with our others brother, we all was close to same age. I remember we go rabbit hunt across the road before all the houses went up across Hobbs road. We all leave in the morning time, we will come back about noon with some rabbits, we will clean them his mom my aunt will smother them in gravy with some rice, that was some good eating. We all in God's hand, an he know about Fred health problems. God told Fred my brother it time to go home with me. So he is in a better place with no health problems and smiling, now him and coyote can hook-up, go hunt for the lord. You'll can get throught this with god help, while the others family we keep you'll in there pray.

God Bless
