“ I didn't get to see Lil Gary often but he always made it his business to reach out to me and make sure I was doing okay and letting me know that he was good. He let me know he loved me at least once a week. I love you Lil Gary and you will truly be missed. Peace and love family.

My mind is blown! We came up together and we've been sharing those memories lately. We talked via video chat at least 3 times a week. He always kept a smile on his face, He never had any bad news, and he gave good advice. He wasn't just my cousin he was my friend. The last time I spoke to Lil Gary was on Christmas Day. He left me a message on a Facebook picture on Thursday...saying "I love you." Friday morning he went with the Lord. I love you too Lil Gary...tell Everyone hey for me.. .You cool now...see ya later.
