“ *Our deepest sympathy to the Gilchrist Family from Geneva's longtime friends in El Paso.*

My Dear Friend Geneva: I've been missing you since the day you moved away from El Paso to be with your family. We created beautiful memories that I will cherish forever. I have never forgotten about you. When I visit the new neighbors in your home, I always think of you. I tell them what a wonderful friend and neighbor you were to me and my family. Thank you for the memories. You are in heaven now with the Angels. Rest in Peace my friend. With love, Rachel.
