

Mrs. Genevieve Dickey

April 20, 1934 - August 27, 2024

On August 27, 2024, our mom Genevieve Dickey passed away at home with her daughter Betty Dickey at her bedside. She turned 90 on April 20, 2024. She lived a full life but in her last years started developing dementia and Alzheimer's Disease. She was very happy and loved all the way to her passing, only becoming completely bedridden and very ill in the last week or so. My sister never left her side for long, always being there for her, feeding her and anything else she needed. Mom spent most of her young adult life taking care of us as kids, as a stay-at-home mom. We kids had a good life and were well taken care of.

Genevieve is preceded in death by her husband, JB Dickey, and son, Richard Muse.

She leaves behind to cherish her memories, daughter, Betty Dickey; son, Bobby Dickey; grandchildren, Travis McWhiney and Summer McWhiney; sisters, Gwen Hall and Mary Ann Graham; and brother, Lynn Hall.

In lieu of flowers, we would like to thank and recommend donations go to Better Care Matters of the Galveston County area. They can take durable goods like medical supplies. Also donations to Meals on Wheels and the Galveston County Food Bank located at 624 4th Ave. N, Texas City, TX 77590, in the name of Genevieve Dickey would be greatly appreciated.

“ I remember the day that Betty and I picked her up to bring her back to Texas. We stayed for a couple days playing in the casino. She had so much fun! She always wore a smile on her face. May she rest in eternal peace.

“ My fondest memory of Ms. Geneive was seeing her smile. And being playful loving her baby doll. I will always cherish the time I spend with her and her family. Love you guys and I am still just a phone call away. Lula Solomon
