“ *My friend from day one! I will miss Jackie dearly as an honest, no filtered friend. True friends are hard to find but, when you do you know they encourage you, lift you up, support you and have agape love for you. 😊 We both love to share stories about our new grandbabies Jacelynn and Khloe. Jay and Gabby she truly loved y'all and wants only the best for you, make her proud by doing what she would want you to do. Hold on c to the memories you shared and cherish them as I will do the same too. Love, Kathy Cunningham*

“ I still can't believe this. Last time we talk you wished me a happy birthday and told me you think my fb posts be funny at times and at other times you had to pray for me lol when you see some of the things I post.
