“ *I'll never forget eating all the donuts working on the property when I was little.... And the last time we had a heart to heart he told me how proud he was that I came home*

“ *Jackie Kelso was my favorite cousins growing up. I named my daughter after him. I was the pain in the ass youngest cousin of Jimmy Hutchinson's children. He would say no you can't play with us because you'll cry and I will get in trouble. Aunt Thelma and Uncle Bill would yell at Jackie and say let that baby play will y'all and he would and then I would get hurt and cry and he would get yelled at and I would say I'm sorry and he always forgave me. He was the best!!*

“ From the first; my friend, my lover, my hero, JackieBoy will always be in my heart. He taught me to truly forgive, by beginning with myself. Any time I had a question, he either had the answer or would find the answer. He loved to leave 1 thing incomplete on any project, then wait for me to find it and start griping. We had so much fun together, even when times were hard or easy. He loved WORK, he always said he would quit working when they patted him in the face, well you did it. Loved me warts and all. Never another like him. I loved him, love him still. Final cruise.

“ You brought such love and strength to our broken family. With you we grew and got stronger. I don't know what we will do with you not here pop, we miss you terribly. I am just so happy to know he is up there with Jesus watching over all the people he loved so much. A true warrior of God. I love you so much pop, see you on the other side

“ I have so many great memories of Jackie and I as kids at Grandma Hutch's house on Cougat Rd in Houston and at the River in Plum Grove. I remember us moving Grandma and Grandpa to the river from Houston. It looked like the Clampetts moving down the highway, with chickens, turkey's and other animals and the chicken coops in the back of the trucks. Jackie and I riding in the back to hold the coop down.
