“ I met Mikey when he was just five years old. He was dressed cowboy from head to toe. He had those bright sparkling eyes and his signature smile. It was my birthday and when he found out, he jumped up out of his chair, waltzed over to me. "Happy Birthday Miss Toni" He pulled out his wallet and handed me a dollar bill with a huge smile. He won my heart right then and there. He was always in my corner . I didn't see or speak to him often over the years but I know how much he loved his family and country. RIP my sweet Mikey Doo.. I know we will meet again.
