“ *Thank You for all the years. You will be missed by so many. There are not a lot of memories in my life that don't have you in them. We were friends since you was 15 yrs. old. You were my Bestfriend and later became my wife. We had a lot of good years together and still found away to stay close after our Divorce. We raised our kids and had a daughter together and i thank you for that. You will always have a special place in my heart. So fly away and rest easy.*
