“ *The best memory of my big brother, lol was when I was just a weebot I would always go hide under the dining room table and laugh at everyone trying to find me, so one day I'm about to go hide again and have mercy Jerry was under the table with some vampire teeth scared the living daylight out of me 🤩😏 And ever since that day I never went back under the table again..... “ Family , we are so lost for words. And it's so hard to express what Mr Jerry meant to us and so many others whose lives he has impacted here at the Olive Garden. Such a sweet soul. He will be so missed.
