“ Being his middle son, well growing up, me and my brothers can't complain we had a great life, our father provided all . One thing that will always stay with me. When I got with my wife Susie, she had 4 kids , Ashley , Felicia, Timny and Tommy. Babies, and later Diamond they were and grew up with my mom and pop's there grandma, and grandpa, he said I wasn't ready for all that came with raising a family,.. but see he and my mom showed me what it takes to be there for your family , to understand there are no smooth roads, but to stay strong , face everything together. And always believe in our love . It's a struggle, but Never Give up. .. " Dad , I will miss our talks, your laugh, you made me the man I am today, the kids will miss you too.. love you"
