“ *The first time i ever laid eyes on her in 7th grade wearing a long sleeve v cut purple striped shirt blue jeans and black open top shoes. I instantly had a crush her. Used to knock papers off my desk on purpose for her to pick them up and hand them back in 2+ class. I never told her I liked her til March of 2022 tearing rejection. Then we started dating July of 2022 and lived with her moving back from Dallas.*
