MP

Jim did receive the Lord Jesus as his personal Lord and Savior about six months before his death! Jim was talking with the Lord daily and kept telling me of his greatest desire of changing his life and becoming a better person. Little did Jim know that our Lord paid the total price for his sins and the sins of the entire world. Jim loved the Lord and while he was young in the Lord, the Lord's Holy Spirit brought him comfort in the peace that only the Lord Jesus could give, doing gems final hours upon this earth. Jim now rest in the kingdom of God is God desire is truly that none should perish, but at all should find eternal life in our Lord Jesus Christ.
