“ *My love, my best friend. My everything. How I miss you. Words can't begin to describe the loss of you. You are my heart and I will keep you in my heart until it stops beating and I pray I am reunited with you. I can't wait for that embrace where I will once again feel loved and cherished. I pray your soul is finally at peace. I love you my Brad..*

Rose Gillett - March 27, 2022 at 01:19 PM

“ *I love and miss you so much son. I'll be holding you in my heart til I can hold you again. Love you til the day I die. Mom*
