“ *RIP Grandma Josephine, wish I could have visited you when I came down to Houston...Glad to see pictures of you to put a face with your voice! I thank the Lord my mother tried to keep in touch with you to give you my sister and myself grade school, middle school, and graduation photo's etc. You were absolutely beautiful! Thanks to whoever added the photos. Reading the obituary makes it sooooo surreal that I will never meet you in my adulthood and you seeing me last in 1984 before you left KC. Grandma Josephine you have 7 grandchildren from Billy Thrasher...here's a photo with names!*
