“ *To my little Sistar, a delicate flower, one that I didn't get to know well, despite that fact, you were loved. You are finally free to do all the things this earthly form did not allow you to. Heaven has gained another Angel. My heart and mind are with you Keisha and Taylor. Forever your Big Sistar, Alistare*

Alistare Harris Turner - October 18, 2022 at 07:00 PM
