“ *Kendrick Dewayne Hayes, I will always keep your memory alive. We came from being young dumb teenagers to knowledgeable grown adults. We became mom and dad together to our beautiful soon to be teenage son. I'm so happy I got to experience the things we experienced together, the good and the bad. I going to miss our roasting sessions for sure. Keep watching over our son and keep your arms around him I know this is eating him up inside but he won't let it show. He's very strongminded like you. I know he's going to make you so proud. We love you so very much and are going to miss dearly. Rest peacefully. There will be justice served!!!*
