“ *Gwen, so sorry for the loss of your spouse, best friend, confidant, protector and all the other nouns to describe what he was to you in life. Prayers for God's love to comfort you, as well as the rest of his family, in the days to come. May your strength be magnified through the knowledge of God's presence and plan. Hold tight to all the precious memories that you made together while looking up to heaven from which all your help flows.*
