

Mr. Kenneth Byron Lord

September 29, 1950 - April 27, 2025

Kenneth Byron Lord was born on September 29, 1950 to William Gordon Lord and Sybil Blair Lord in Pleasant Hill, Louisiana. He had a vibrant personality, charming smile, a never ending supply of stories from a life fully lived, could debate or discuss any topic, and loved to spend time with friends and family.

He was passionate about baseball from an early age, being an extremely talented shortstop and pitcher with an incredible curveball, and a lifelong Astros fan. He was a star player on teams throughout school, while serving in the Air Force, and in various adult leagues. Byron shared his love of the game with his children and those he coached in countless youth teams.

He loved to fish, hunt, and play golf, especially with his son. He was an amazing cook and enjoyed sharing his creations with family and friends. He won chili cook-offs, was a master at the pool table, killed at karaoke, and was always entertaining to be around. He explored various occupations but always returned to the oil field and helped many others start careers there, too.

He worked hard. He played hard. He always had a good joke ready to share. Byron kept things interesting. He was stubborn. He stirred up trouble. He helped out friends and family. He suffered great loss and cared deeply. He was loved and will be sorely missed.

Byron died on April 27, 2025, and is preceded in death by his parents; sister, Cassandra Lord; daughter, Dawana Lord; son, Levi Lord, and many loved ones.

He is survived by his daughters, Tammy Fesco (husband Brent Fesco), Starla Lord, and Amanda Lord; his brother, Bill Lord (wife Yvonne Lord); the mother of his children, Beth Lord; his beloved friend and caregiver, Nichelle Bluit; grandchildren, Stephen, Hunter, Taryn, Aeden, Holt, and Justice; great granddaughter, Grayson; nieces, nephews, and countless other family members and friends, all of whom he loved very much.

Per Byron's wishes, there will be no service, just an intimate ceremony with family.
