“ Truly saddened to know that you are no longer with us. Such a beautiful young lady growing up as kids with all that long beautiful hair like your Mom Mrs Beverly. We use to cut up so much in School together and Kim would just say whatever came to her mind and would have you laughing. I will miss you ladybug. until we meet again Rest in the arms of Jesus

“ Kim , my classmate , lifetime friend my sis !
This was my girl .I will miss our catch up talks , her laughs , smile and she was the truth . She loved , loved , loved her babies . True woman of God . To be absent from the body , to be present with the Lord . I know she's in good hands with our Heavenly Father . She will be missed and always in my heart . □
