“ Larry, will certainly be missed. I would call him several times a month to talk. He was away in good spirits. Larry was a special person. He had a big heart and would give his last to someone. He was like younger brother and not cousin to me. I'm so blessed that I had the opportunity to spend some time with him several years ago when I was in Texas. My condolences to the family! Rest In Peace cousin.

“ I worked with Larry for about five years at Roche Vitamins and then DSM. He was a cool dude always ready to converse and always smiling. I hope you enjoyed at least some of your retirement. Rest In Peace brother. The diabetes can't touch you now!

“ So sorry to read of Larry's passing. I first met Larry when I moved to Lake Jackson as the new manager of KG Men's store. Larry worked part time in the evenings after he worked during the days at Dow. He became a friend who helped me learn more about the area while we were working at the store. Years later, I was working at DSM and here comes Larry, he was hired to run our warehouse. We were able to catch up on family and other things just like we had before. We also shared the same ailments, so we had a common bond there as well. Years after that ran into Larry again at the gymnastics gym in Clute. We both had granddaughters in the classes. We also discussed some of the curveballs he had been thrown later in life. I will always remember Larry never complaining, always asking about my son Matthew, and having time to talk. Please accept my condolences for your loss.
