My entire family and I sends our deepest sympathy and condolences to the Moore family! Our family's grew up knowing each other through Bible school in summer time,as well as while receiving a formal education from gramar school to high school. I remember those days when our mothers would grocery shop together and wash clothes together at local laundry mat. Also the many visit our parents would have. The times we went together collecting candy and other treats during Halloween,etc. I will be praying for God to comfort your family and give you all peace during your time of grief!
