“ Donna and Cora I have looked for this announcement for quite some time was unable to see it, but my heart goes out to you girls in the death of a Leno. She was real and she is the last one standing of the brothers wives. I hope that there's no finds you well and earth has no sorrows that heaven cannot heal. I love you, Mia Spiller.

“ Mrs. Lee was the only babysitter I've ever had. I can remember being at her house and knowing the time of day by what was on tv. The morning started off with a breakfast snack. Then the Price is Right would come on. After the PIR came her stories - The Young and the Restless where she'd be fussing about what a character was doing. To me that was real life stuff going on. God Rest her soul and thank you for keeping me safe as a youngon. Billy Lartigue
