“ Thank you, Linda for the good you did to help my family when I was a teenager. I know you had challenges in life. I also know you knew the Gospel of Jesus Christ. I hope and pray you made the right decision for Him in the end. I am sorry I could not contact you before you passed. I was trying. Ursela (my mom) preceded you by about a year or two, died of kidney failure in Hot Springs, Arkansas. She died alone due to an ice storm that did not allow family to get to her at the hospital. To my knowledge I was the last person to talk to her by phone after which she went to sleep while we were talking and never woke up. I hope to see you in heaven, Linda. You tried, made some bad choices as many of us do, but God is gracious. I hope you forsook your old way of life and returned to Him.
