“ *Lon contributed to my gaining the two most important gifts a person can receive in their life; my coming to know Jesus as my Lord and Savior and understanding the unconditional forgiveness of God and being able to give unconditional forgiveness. God used Lon Brandon in my life in a tremendous way that was nothing short of miraculous and a demonstration of God's mercy and grace.*

My name is Lon Jr, my dad led me to accept Jesus Christ as my Lord and savior, I'm thankful and grateful for this, before salvation my dad never said he loved us as a little boy I would say dad I love you and he would just shake his head yes but not say anything but after his salvation he would share Christ Love and verbally say I love you well dad I love you and miss you! 3 things my dad mentioned to me before he went home 1. Put others first 2. Forgive others 3. Save your money
