In loving memories of
Mrs. Mary L. Auzston - Dabney.

Mary was born in St. Mary's Hospital on January 23rd, 1935, to Louise & Otto Auzston, in Galveston, TX.

Mary lived her life to the fullest. She loved to cook for the whole neighborhood and plant gardens and share her knowledge of planting and plants and have fun adventures.

Mary was preceded by all of her brothers, Otto L. Auzston jr., David Auzson, Robert Auzson, Andrew Auzston & her twin brother Michael Auzston & survived by many neices and nephews. Her first marriage to Mr. John Banks she had three children survived by Mrs. Paula Banks- Groves, preceded by Wanda Banks- Keithley & Shawn Banks. From her last marriage to Mr. ROY R. Dabney, she is survived by daughter Jamie L Dabney-Yeager.

She had many Grandchildren & Great Grandchildren. John & Jamie Cantrell children Jessica and Joshua. Paul Cantrell and daughter Madison Cantrell. Darrell Keithley and Allen Banks and families.

Mary grew up in the farm life on West Galveston on the famous Oyster Hill built by her father Otto Lee for her mother so she could have a water view no matter where she looked. Mary learned her love of plants from growing produce for the family produce stand and continued to share that love throughout her life. She loved to cook so much so that if you ever stopped by to visit or even drop off the mail she would stuff you until you had to be rolled home. Lol

Mary & Roy Dabney traveled a lot for enjoyment as well as for their living history rolls, which they owned a costume business called Through the Looking Glass. She loved arts and crafts and sewing. So much more can be said for her but love will show through us all for her.

Mrs. Mary believed home is where the love is, so grow from the heart.

She will be dearly missed however will continue to live in all our memories
