“ One of my many favorite days with mom. Mother's Day 2016. She was a nervous wreck about riding in the Jeep with no top or doors. I finally convinced her to try it and she held on for dear life! I eventually got her to let go and this was that moment.

“ I will miss our daily phone calls...gossip, politics or sharing childhood memories. She was so talented, I really think she passed those talents to my daughter, Austyn. We had a rough childhood, but it made Maxine one tough cookie...no filter and a Gothia temper. She lived her life "out loud".
I will miss you until my last breath, Maxine and please behave in Heaven.
