“ Brother,

Words cannot describe how much pain the family has right now. We know you are resting and free from your chains. I will always cherish the times when we would play Uno and Jenga while visiting you in Juvenile Detention. The visits where I would make you laugh like crazy with my jokes and how we would be the biggest nerds compared to our siblings. I know you suffered, but you always kept that head high and that chin up. Give our grandparents a hug for me and I hope to see you when my time comes. We love you Shadow and you will not be forgotten. -Your Baby Sis Mandy
