“Buddy Tim and I want you to know how sorry we are for the loss of mom. God needed a angel and she was the chosen one. I know Mickey would want us to step in and be that Mom and Dad that you need now. We have loved you since you were just a young boy. Our love for you is unconditional. We will all grieve together. Just always remember that God brought you back to our family for a reason. We will be here for you always. We are praying for God to put his hands on you and give you peace and strength during this difficult time. Remember we love you dearly. Mom and Dad Darter (Becky)
