“ You guys showed me so much love during my summer visits to Beaumont. BB had a peculiar way of making me laugh & see the brighter side if life. I shall always remember him presiding over my mom's Homecoming service. Thank you for making a positive difference in my life during a difficult period. Rest in Peace Cousin. May the Lord watch over you Dana, Gail, Katherine, Linda Faye, Johnathan, Sylvia & Beverly during your time of loss. May he help you adjust to your new normal. God Bless, Omenita Gwinn & Family
