Worked hard every day for his passions and family. He never judged a book by its cover, and he never met a stranger or a person in need that he didn't offer to help.

Just a few notes on what my mind can process at this time. I posted on my face book account a slightly better list for my dad. It's under Jamie Dabney

We will have a celebration of life on Saturday February 5th, 2022, between 10am to noon at 3308 Kleimann Ave, Galveston, TX 77551.

Family just wants to remind everyone Mrs. Mary does live in our home and does have dementia, so we are asking everyone to share love, laughter and memories of Papa.

If you need a moment,
we will have space for that as well.
