“ *I am so sorry to hear about my dear friend, Trisha, passing. My heart goes out to Pat and all of the family. Patricia was probably one of my first friends as a child in Galveston. I have a lifetime of wonderful memories of my friend. Rest in Peace.....*

“ *I first met Trisha at my cousins wedding. Then later in life we became best friends while meeting at work. We have seen numerous concerts together. Her favorite being George Strait. We have traveled together and had wonderful times doing even as little as lunch together. I will miss you my friend but, I know now you are free of all your aches and pains and reunited with your Mama and Daddy. I will see you again some day. Maybe to see George sing to Jesus. Love you Always!❤️*
