“ *To my son Doreian,*

*My love and prayers are ever with. Please know that for as long as I live you are not without a father. Now you are blessed in three ways, you have two fathers in heaven and one father on earth.*

“ *Daddy James ALWAYS had a smile on his face and a story to tell. We laughed every time we talked. His drawings were amazingly detailed and life like. I will miss him dearly. To his mother children and other family members. I pray for your strength during this difficult time, for the breaking of the family circle is not easy.....BUT GOD! Daddy James we will never forget the drawings that you have left on each of our hearts. Rest peacefully.*
