So sorry Debbie for your loss , just found out Raymond had passed. Raymond , every time one of us were put on a job. We would always ask for each other to work with. We worked so much with each other , we would talk for hours and some time for days while working. I thought of you as my big Brother , who not only taught me how to be a good Telephone Man , you taught me about life ! May you Sleep in Heavenly Peace , my Brother Raymond !!
