*Jackie & Family. I am so sorry to hear that this young man was your son. You know we grew up like family, so this is painful to me, also. I don't think I have met this young man, but I know he was near and dear to your heart. I will keep you and the family in my prayers. I will try to visit the next time I am home. Love you all and God bless and comfort you. James "Button" Griffin, Metro Washington, DC.*
